I am offerin; the remainder of my surplus glads at bargain prices. You will find them priced at wholesale or lower.

Large bulbs are 1 $\frac{1}{2}$ inch or over, medium $\frac{3}{4}$ inch up and small under $\frac{3}{4}$ inch. All are guaranteed true to name and I will adjust any errors that may arise. All are healthy stock and most of them have been treated with Semesan. All orders of \$1.00 or more sent piepaid and lots of more than \$1.00 may be divided if desired.
